### Productive Meetings Within Your Reach

As the Xerox Corporation's leading training facility for 25 years, we're now inviting meeting partners like you to experience our IACC-approved, dedicated meeting environment. Our new "reach" logo, an outstretched arm signifying human achievement, underscores both the customer experience and the mission of The National Conference Center. Here, today's best-managed companies and organizations discover an effective conference center solution for their meeting needs. The highly focused business environment facilitates collaboration, productivity and serious transformation. At The National Conference Center, no challenge is beyond reach.

No  
challenge  
is  
beyond  
reach.

# training

Training  
transforms  
workers  
into  
champions.

Anyone who keeps  
learning stays young.

—Henry Ford

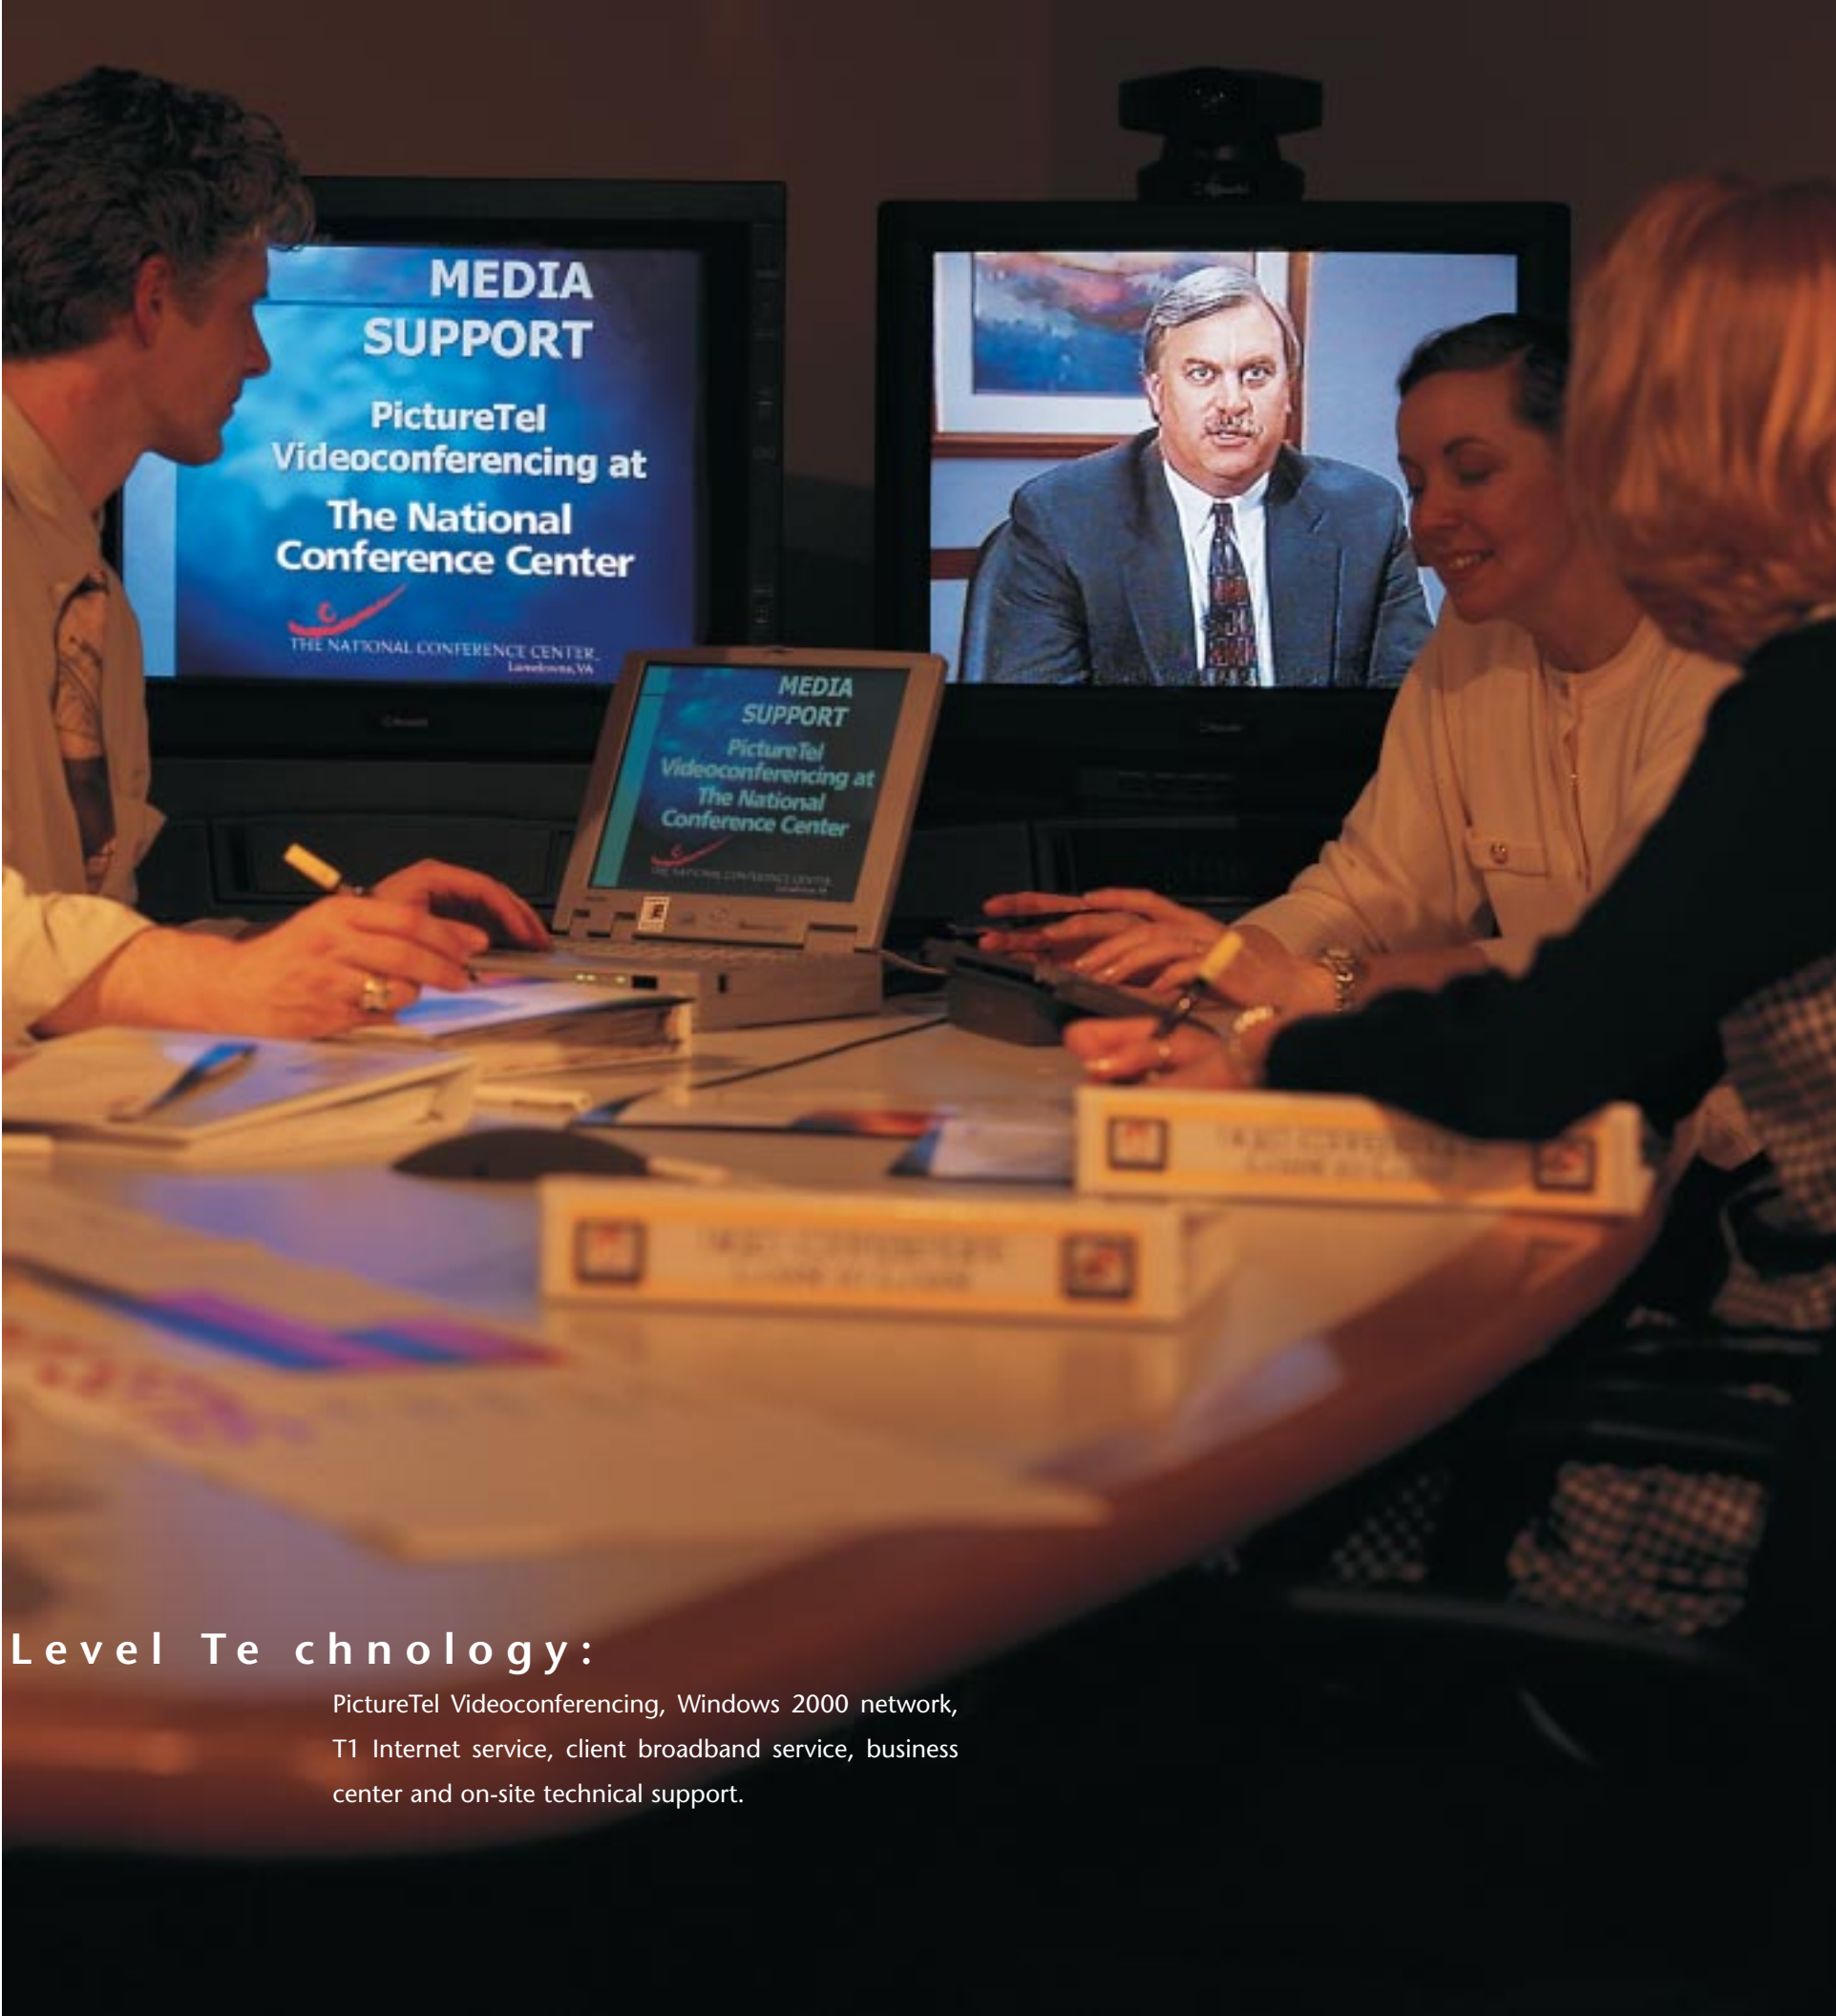

We excel at productive meetings that train people to work faster, smarter and better. Originally designed as the site for Xerox education and personal development, we will continue the legacy of learning with your group. Increase industry knowledge, teach new skills and empower your team at our dedicated conference center. We offer a wide range of technology, from PictureTel™ Videoconferencing to computer stations. No wonder the federal government and major corporations have chosen us for their training and staff development needs. We look forward to designing a productive meeting for your group.

Your group will enjoy many opportunities for camaraderie and communication. Being together is an important part of working together.

National-Level Technology:

PictureTel Videoconferencing, Windows 2000 network, T1 Internet service, client broadband service, business center and on-site technical support.

The National Conference Center specializes in meetings that build teamwork and increase success. We enable you to promote company interactivity, create solutions and inspire camaraderie. With overnight accommodations and meeting rooms in self-contained wings, our dedicated conference center encourages your group to work together. Guest rooms are clustered around inviting common areas, so your people can brainstorm and socialize between meetings. We can also plan company events including product launches and special dinners. The teamwork doesn't end inside. Outside, we can organize an experiential learning adventure of team building activities, with our on-site ropes course and on-site Outward Bound program.

**Black Olive Bar and Grill** Colleagues can wind down and have fun at this retro-style sports bar serving drinks and grilled fare. Activities include dart board and billiards, and the large screen TVs are always tuned into the game.

National-Level Recreation:

Fitness center with aerobic classes, basketball, volleyball, wallyball, squash, racquetball, weights and aerobic machines. Outdoor recreation includes running, walking or biking on nature trails, 25-meter pool, tennis, horse-shoes, volleyball, ropes course and on-site Outward Bound program.

Independently conducted research indicates that meetings held at The National Conference Center are more productive than meetings held elsewhere. Our meetings get more done, result in higher test scores and produce more efficient workers. Do your own research—experience The National Conference Center firsthand with a site visit. You'll be pleased with the results.

Located in Lansdowne, Virginia, we're just 12 miles from Dulles International Airport, situated on 110 scenic acres. Groups from around the globe can conveniently reach our central location, approximately 30 minutes from Washington, D.C. The rural setting outside limits distractions and encourages reflection, while the learning environment inside promotes concentration and education.

From interactive training sessions to corporate celebrations, our staff arranges every detail so you can focus on the business—or pleasure—at hand.

National-Level Meetings:

250,000 square feet of meeting space,  
250 meeting rooms, flexible layouts,  
advanced audiovisual, IACC-approved.

Our conference center features 250,000 square feet of meeting space approved by the International Association of Conference Centers. Groups from four to 450 can meet in flexible meeting facilities, including everything from an expansive atrium to an intimate board room. Our 250 meeting rooms have the capability for information technology and multi-media presentations. And complete meeting packages wrap it all up in one inclusive rate, saving you work, time and money.

In our 950 guest rooms, relaxation time seamlessly blends into work time. Your group can stay in their own separate wing, then stroll to the attached meeting space, maximizing productivity and ensuring privacy. Meals also work around your meeting times. Our 670-seat dining court presents kiosks of abundant and healthy cuisine for breakfast, lunch and dinner, whenever it's convenient.

**Complete Meeting Package:** Includes Personal Conference Planner, overnight accommodations, three meals per day, meeting space, continuous beverage breaks, audiovisual and fitness center.
